4th August 2009

THE SETTLEMENT COMMANDANT,
KYANGWALI REFUGEE SETTLEMENT
HOIMA.

Dear Sir,

RE: RELIEF AID IN FORM OF SMALL FARMING TOOLS.

In line with Government's and other related organisations' strategy of settling refugees and help them to be self-reliant as soon as possible especially in matters of food security. I am glad to inform you that St. Patrick's Centre for Integral Development (SPACID) through the aid from her associates of St. Edward's Parish C/o Cann John have procured some Relief Aid in form of small farming tools, such as hoes, pangas, maize as well as beans seeds.

The target group for this Charity is the new Refugee Case Load arriving or recently arrived in the settlement.

It is further our aspiration and that of the donors that beneficiaries be assisted to catch up with the forthcoming planting season of the year 2009 i.e. September - October rains.

As it is the wish of the donors that SPACID with help of your office and that of UNHCR/AAH should have a direct touch in this exercise.

I am writing kindly requesting you to assist in identifying the immediate refugee beneficiaries. We are otherwise ready to work with your office and the AAH/Department in charge, to make sure that the exercise is done to the maximum satisfaction.

FOLLOWING ARE THE PROCURED RELIEF ITEMS AT HAND:-

GOOD AMOUNT OF :	-	SEEDS OF BEANS AND MAIZE (5000Kgs)
	-	HANDS HOES (3000)
	-	PANGAS (3000)

Thank you Sir for your usual cooperation and God bless this Charity for the benefit of our refugees.

Sincerely yours,

Fr. Kizito
Director / Chaplain (SPACID)
