TO: CANON JOHN KOENIG
AND ST. EDWARD'S PARISH
COMMUNITY KETTERING-UK.

RE: THANKS;

I am Isaac ~~(14 years) a son of a refugee~~
family from Congo whom Rev. Fr. Josemarie Kizito introduced
to you last Christmas.

I now write to you to thank you Canon John
and your kind community of St. Edward's parish for
accepting to support my studies in the seminary.

I am studying well as you will see on the reports
which will ^{be} attached to this letter by Rev. Fr. Kizito, and
studying at the seminary of St. John Bosco in Hoima Diocese.

Wishing to continue with the seminary life and
one day be at his altar serving God as his priest
according to his call for me. I aspire to be a good
priest working among my fellow refugees in Kyangwali
Refugee settlement like Fr. Josemarie.

Wishing you a nice stay and God's blessing to you
and your community.

Thank you very much.

I remain your loving boy.
