PASTORAL NOTES SS Cyril & Methodius
We have become a truly global Catholic community. Pope John Paul II particularly reminded us of that with his many world travels - and in a more local way by naming several saints as co-patrons of Europe - including Cyril & Methodius (feast 14th February), brothers and missionary bishops to the southern Slavic peoples (they died respectively in 869 and 884 AD). St Cyril has given his name to the Cyrillic alphabet familiar to us from Russian script. Great works of translation of the Scriptures and Liturgy were undertaken, not without opposition. History tells us of a rift in the Church with the eastern (orthodox) Churches, not so much in faith, as in the order and organisation of Churches. On the eve of Lent we pray to grow in faith, in appreciation of different cultures and growing in charity.

"The Call, The Journey and the Mission. Is the title of a leaflet (available at the back of each church) issued by the Bishops of England and Wales to remind us of the of the Synod in Rome in October 2015 on the theme. "The Vocation and Mission of the Family in the Church and in the Contemporary World" . Please take a copy of the leaflet and reflect on it. There will be a meeting in the lower room after Benediction on Thursday 5th March. So that our thoughts can be considered by the clergy of the Pastoral Area prior to the deadline for feedback which is 17th April!
