Work on this is now underway and should be completed by April 28th. All bookings in this period that do not require access to the kitchen will be honoured. Access to the hall will from now on be via the Ramp door as the kitchen must remain a sanitised area, maintained in accordance with latest health and safety regulations and inspected by the local council. Most key holders have been contacted, otherwise please phone Nigel on 01536 460909 for a key to this door and to return the kitchen door key, except for users of the Upper Room who will continue to use the usual door and will retain that key. Upper Room users will not be able to pass through the kitchen to access the hall toilets but may use the outside toilet behind the Presbytery. There is now a kettle in the Upper Room kitchenette for making drinks. Children are not permitted in the kitchen as the filtered boiling water dispenser will be permanently on.

PASTORAL NOTES **PARISH MISSION**
There are now prayer-cards available for a daily prayer for the coming Parish Mission, praying that we may all benefit from it, welcoming two brothers and two sisters of the Renewal. We might pray for those coming to give the Mission, speaking both in all of our churches, and in our two schools. We might pray for each other also, for this to be a time of blessing, remembering families, any who are sick, at home or in hospital, especially any struggling with their faith – to be granted new light and understanding. In this we pray, of course, first of all for ourselves. The word 'Mission' we know from other situations, people sent on a mission. At Easter we are reminded of Jesus breathing on the disciples and sending them out on their mission of faith. We are all 'disciples', which means 'learners', in our faith. May we re-dedicate ourselves in faith to do God's will.
