PASTORAL NOTES

WORLD DAY OF PRAYER IN ASSISI

It was Pope John Paul II's initiative in 1986 to call together leaders of World Faiths, Christian, Jewish, Muslim, Buddhist and many others, to pray for peace in the world. It also expressed a change in the Church's approach to other faiths, one of mutual respect and concern to work together for the good of mankind. The need to pray for peace is if anything even more evident today, with so many countries involved in war. Pope John Paul chose to meet in Assisi because St Francis of Assisi is such a universally respected figure with a sense of thanksgiving for all God's creatures, something which again touches us very much today. This year, on 20th September, it was the turn of Pope Francis to call others to Assisi. The Pope himself chose the name - for the first time ever for a Pope - out of love for St Francis. May we support local initiatives for understanding in our parish.

Her Requiem will be celebrated on Wednesday 5th October at 11.00am with the coffin brought into church at 4.00pm on Tuesday 4th October. May she rest in peace. Our thoughts and prayers are especially with the two Sisters remaining of our local community, Sister Aidan and Sister Theresa, with so many other Sisters she is known by, in the Mother-House in Germany, Sisters around the world who have worked with her, in Korea, Brazil, America. NORTHAMPTON CATHEDRAL

Our Cathedral in Northampton is the Mother Church of our Diocese. If you have ever visited it, you will be aware of its beauty, but also its limitations in being able to offer hospitality and in accommodating special events and groups. Over the last two years or so, exciting plans have been developed for the future of the Cathedral and Bishop Peter would like you to have an opportunity to hear about them and how you can be involved in making them a reality by lending your support to the Campaign. A presentation is being held at St Edward's on Monday 14th November at 8pm, following Mass.
