## PASTORAL NOTES

A different sort of miracle! "The miracle of Newman is the moral miracle of his influence for good in the Church. By his teaching and example he has transformed the lives of countless men and women, strengthened their faith, renewed their hope and deepened their love for others. One such example of the power of Newman's influence can be found in the life of Mother Mary Theophane, a former Superior General of the Missionary Sisters of St Columban. While on official visitation to China in the 1930s she came across a book of Newman's prayers and meditations, which gave her such comfort and encouragement on the journey that she wrote to the Birmingham Oratory to express her gratitude and great joy in discovering Newman. Her letters were among the thousands of similar testimonies sent in for the Cause of his Beatification". (Columban Magazine, Fr Colm McKeating). As we sing Newman's beautiful hymns may we also experience the support of his prayers.
