Dear Canon John

Just received your letter of 30<sup>th</sup> July 2009 with exceptional delight. The news in it especially about the sum of £ 1124.32 by the Parishioners during the course of this is quite overwhelming. I further find it great that you took a serious note about Isaac's needs for the seminary training. I was in fears that my petition about Isaac did not reach in the opportune time. Although I forwarded him to the seminary with a little bits from here and there and the kindness of Fr. Rector. Isaac is progressing on very well and I will soon send more information about him.

About my intended visit to UK, I must say plans are still on. Unfortunately you don't seem to get the latest news that I have been sending through Peter Anderson and Mgr. Sean. All paper work for the Visa were sent to me by the Vicar General except one small thing about my certificate number needed correction. Instead of Tier 5, it should be Tier 2 category. I sent all this information back to Mgr. Sean, expecting another revised INVITATION LETTER.

Last night, Peter called and informed us that the papers were posted to me a few weeks ago. I should be getting them any time from now. That's how life is when you are working in such a distant and vulnerable place like ours.

Thank you very much for such huge heart about us in the wilderness.

Hope to be seeing you before too long.

God bless Canon John.

  
Fr. Jo.
