27th September 2013

This is just a small note to say, thank you for spearheading for funds which enabled us to purchase computers and solar system for our Senior Secondary School in this refugee settlement of Kyangwali-Uganda. So happy to inform you that with the funds donated, finally a solar system of a reasonable capacity has been installed. Although sorry to say that it has been much more expensive than the three computers purchased along with it.

Yesterday, 19.9.2013 I had special Holy Mass at the secondary school, in which amidst jubilation, I blessed the project. Teachers, Parents, Students were very excited on receiving the three computers which are to be shared by 675 students plus the teachers. Slowly, God willing, we shall get more to satisfy this huge group.

Thank you so much for the trouble and the interest you took and parish community at St. Edwards to that this project becomes a reality. Of course, a million thanks to Canon John who is always instrumental in all charities to Uganda especially to the refugees.

God bless. Hope to meet next summer 2014. God willing.

Sincerely yours,

Fr. Jo.
