PASTORAL NOTES

EXAMPLES FOR LENT

Two patron saints have their feast in the month of March – St David (520-589 AD) patron saint of Wales and St Patrick (389-461 AD) patron saint of Ireland. St Patrick is very well-known. As a boy he was captured and enslaved, only to escape, and in due course return to Ireland to proclaim the Gospel, an outstanding example of forgiveness and responding to harm with charity. His mission to Ireland was outstandingly successful. By the end of his life he was able to preside over a synod of bishops in Ireland, following in the footsteps of St Paul the apostle.

This note is to advise you of the planned demolition of the old house at the front of St Thomas More Catholic Primary School, to commence on Monday 23rd July 2018. The Diocese appreciates that many members of our local community have strong emotional connections with the old house. We are working closely with Mr Donald, the Headteacher of St Thomas More, and would like to assure you that, whilst it is the intention for the house to be demolished, we would like to work with our school families and the community to manage the event with sensitivity and compassion. Mr Donald will be in touch later in the year with further details about how you can get involved with the celebration of this historical part of the school. If you have any enquiries regarding this matter please contact David Wilson on 07864 584288, or email davidwilson545@btinternet.com
