PASTORAL NOTES

Parish-Changes

Some may not appreciate some of the changes in our local parishes which have taken place this year. Canon Michael Harrison has a Polish curate at Our Lady's Corby, but is now looking after Thrapston, Raunds and Oundle (the latter with help from retired Father Robert). Father Brian has officially 'retired' but, as some will have noticed, he is also at times able to help in our own parish at a Sunday Mass. Last Thursday (18th October) was the feast of St Luke, who appears as companion of St Paul in the last part of the Acts of the Apostles, and who is named as writer of one of the Gospels. He is also named as a 'doctor' and so appropriately is the patron saint of our pastoral area or deanery (as it was known), with our General Hospital and Hospice and Care Homes in mind.

DESBOROUGH

We met with Hugh Davies, the Diocesan Director who is himself a Chartered Surveyor and David Wilson, the Diocesan Surveyor, regarding the state of the ceiling in Holy Trinity Church. Their advice was that **on Health and Safety grounds** the Church should be closed immediately, and that it should be padlocked. Please do not attempt to enter the building unless accompanied by Danny Cannon, the Parish Property Manager. (07900 827411).

Arrangements have been made to move as much as possible in to the hall so that all usual Masses can continue.

As reported, the Trustees of the Miss Quarterly Trust did commission an independent surveyor to examine the property, and report back to them. That Surveyor spent several hours on the premises and has suggested that her report will be with the Trustees within two weeks.

We hope to meet with the Trustees and the Diocesan advisers shortly after that report has been submitted.

Our thoughts and prayers are with the members of the Desborough Community and everybody affected by this situation.

St Edward's Church Security It has become necessary to lock the Church at 4.30pm on weekdays until further notice. It will of course be opened before any evening services. It is hoped that other security arrangements, which will be put in place shortly will lead to longer hours of opening. Sorry for the inconvenience, and thank you for your cooperation.
