PASTORAL NOTES

Eucharistic Ministers

We have been blessed in our parish with a good group of Eucharistic ministers for very many years. **We do need and rely on them!** They do an excellent service in our community. **We now need more!** Over twenty years have gone by since we made our present arrangements. Ministers are needed – **in church and in hospital visiting and in other care homes, including Cransley Hospice.** But no one is expected to do every task.

So now this is a **request for more members of our parish to be trained.** It is not a complicated service, but it is a very important one which obviously we want to fulfil as best we can. So, **new recruits – please contact** Canon John. Once we have a little group, we can then arrange dates for the training. Please pray about this and consider if you can help. In the early Church it was a common calling of the faithful. In different circumstances, we try and continue this service. Thank you.
