PASTORAL NOTES

Our Parish Community

In many ways we can congratulate ourselves over the fulfilment of our Christian responsibilities. Our generosity to the various appeals to Support the Third World is exemplary as is our support of the less fortunate people of Kettering and District via our own Soup Kitchen and support of the local Food Bank. A couple of weeks ago we talked of prayerful reflection towards deepening our Christian Community

As advent and Christmas approaches, we might think about those around us who do not have material needs, but do need companionship. In this Parish of 1000 weekly Mass attenders it is hard to spot those who are no longer around. During the next few weeks there will be a series of Bulletin Notes "Building Our Community", perhaps we can reflect prayerfully on each.
