## PASTORAL TEACHINGS

### Mass Cards ?

There have been many funerals lately and an unusual number of requests for Mass-cards. People mostly ask for these before or after a Mass in church. May I ask you all to try and follow this pattern. (You will not be refused if you forget!) It is funny that such a small matter can nevertheless be a great help over time. The helpful practice of delivering intentions not requiring cards in writing either via the collection plate or through the letter box should continue, please.

On a more positive note, please let the priests know if you wish an intention – for the living or the deceased – to be mentioned and included in the prayers at Mass.
